REVERSE-STEER DRIVING

Our Golf Buggy has been engineered so that in order to turn right you turn the steering wheel to the left and vice versa. Quite simple!!

4 x 4 OFF ROAD DRIVING

A chance for your guests to try their hand at the wheel of a Land-Rover, on a course designed to put both vehicle and driver through their paces.

QUAD BIKE RELAY

An opportunity for your guests to experience riding a 125cc Yamaha quad bike around our challenging course, which includes a slalom and Limbo

BLIND DRIVING

An ideal way to test communication as the passenger guides a blindfolded driver verbally around our challenging course.

WACKY RACES

These mini four wheeled bikes are the only motor sport, we offer where the teammates are actually able to race each other head to head!
Engines at the ready!

ALL NEW RAGE OFF ROAD BUGGIES

Brand new to the corporate market these dune style buggies are a true adrenaline drive run on a relay system, they will really test your driving skills!

POWERTURN DRAGSTERS

2 seated twin-engine dragsters. Capable of wheelies through our slalom course these lever-controlled vehicles will really test your skills!

LASER CLAY SHOOTING

The modern alternative to Clay Pigeon Shooting allowing five guests to shoot competitively at any one time. Using specially modified laser shotguns, which give no recoil your guests, shoot at the clay pigeon as it soars through the sky.

CLAY PIGEON SHOOTING

An opportunity to experience Clay Pigeon Shooting with one to one tuition from our experienced Instructor Our overall objective will be to ensure that you hit as many clays as possible as there is no greater feeling than powdering a clay.

RIFLE SHOOTING

Using air rifles test your accuracy at shooting the targets. The highest team/individual scores win.

PISTOL SHOOTING
